

GOOD MUSICAL EDUCATION IS ACHIEVED WITH HIGH QUALITY INSTRUMENTS... that is our motto. As an educational classroom instrument, SUZUKI leads the field in both design and musical accomplishment. We are confident that you will be delighted with SUZUKI instruments for the instrumentation of a musical classroom.

The world's most affordable hand held chimes!

Now for the very first time, your music class, choir or ensemble can experience the joys of handbell ringing with the most affordable hand held musical instrument available today. Suzuki's new Chimettes are specially designed for use by even the most inexperienced player, yet provide quality musical sounds with perfect intonation.
