## DIGITAL SONGCARD GUITAR

### QChord Is An Educators Dream Come True.

How do you teach, motivate, inspire...and have fun all at the same time? The new Suzuki QChord Digital SongCard Guitar has all the power you'll need to get your students to line up for an interactive, yet instantly gratifying experience they'll never forget. Powerful, economical, and portable, QChord is the only musical instrument of its kind in the world, and promises to be a teaching phenomenon!

### 0 to Musician...in 9 Seconds Flat!

Everyone loves music, but turning the desire into reality take a commitment in time and money. But whether you're 3 or 93, you can make music the very first time you try. No trick fingering or breathing techniques. No long practice sessions. You can't make a mistake. And like a video game, QChord has multiple skill levels. Learn to play in seconds, then add features as you become more proficient.

### Technically Speaking, QChord Has A Lot To Say!

A powerful on board micro processor and advanced sound engine gives QChord exceptional flexibility. Play up to 84 different chord combinations, 100 instrument voices and fully orchestrated rhythms using the LCD display, all assignable to 4 octave strumplate or melody keyboard. A pitch bend wheel adds expression. Press EZ play for chords and strumplate only. Dial in sustain, volume levels, rhythms and voices to customize every song. High tech speaker design with bass port provides exceptional sound quality.

### QChord Has Extensive QCard Song Cartridge Library

There is no end to the musical possibilities with QChord's QCard Song Cartridges. All your favorite songs in every music category are available in beautiful full orchestrations for you to enjoy. Just plug in a QCard and strum, sing, play the melody keyboard or do all three.

### I Q. Do You?

If Music Makes You Smarter, feed your brain a new Suzuki QChord. It will teach, motivate, inspire and show you and your students a really good time. QChord is Hip, Quick and Qool!
